

# FEEL GOOD FRIDAY

Some Good News to End Your Week

**First Impressions.** SCAN was showcased during a virtual Healthcare Leadership Council district meeting with Rep. Sara Jacobs (D-CA53), a newly elected U.S. congresswoman. Melanie Weir, SCAN Chronic Condition Project principal, introduced SCAN and how we support our members.

“I talked about our social outreach during COVID and how we started with our dual-eligible members who lived alone and made outbound calls to identify needs,” Melanie said. “I also discussed our diabetes program for Spanish-speakers, which won the DHCS health equity award. Rep. Jacobs was impressed and said congrats!”

**Winning Work!** The Academy of Managed Care Pharmacy (AMCP) recognized SCAN’s work demonstrating that case management reduces overuse and misuse of opioids in older adults. In addition to a gold ribbon from the Academy of Managed Care Pharmacy (AMCP), the SCAN team was invited to present at the virtual AMCP 2021 conference in April.

*Led by Senior Clinical Pharmacist Tiffany Del Rosario (pictured), the cross-functional team included Samantha Kasanoy and Marisa Brailsford (Pharmacy), Elizabeth Gomez, Cecile Aguero, Miwa Emi and James McDermott (HCS Care Management), and Katherine Yue and Jack Liu (SIU).*

**Vaccine Survey Says:** Employees want the vaccine! Of the 803 who responded to our COVID vaccine survey, more than 81 percent say they plan to get vaccinated. Over 5 percent—including Field Care manager Erica Fontanilla (pictured) have already received theirs. Watch for more survey results in the February issue of *SCAN Ahead*.

To find vaccine appointment locations, check our [website](#) for regularly updated information. Submit any questions to [COVID-19@scanhealthplan.com](mailto:COVID-19@scanhealthplan.com). And remember to [send in](#) your vaccine selfie. (PHI tip: make sure no personal info is visible if you share your photo anywhere!)
