## Powering Production in the Cloud

Join **Avid** and **Microsoft** for the **Vision Tour 2023** to explore firsthand how Avid's latest storytelling solutions powered by Microsoft can help your organization create better content, more easily and faster. Explore Avid's collaborative and creative solutions that are accelerating production teams worldwide while uncovering your team's net productivity breakthrough. View demonstrations and talk with Avid and Microsoft experts.

What you'll see on the tour:

- **Avid | Edit On Demand** collaborative remote video editing which can deploy in hours and scale up and down to meet project needs. See **OTS (Over The Shoulder) review with SRT** out of Media Composer delivering the output of the Media Composer timeline to any SRT enabled device, and we'll highlight upcoming integration with **Microsoft Teams** for expanded project team collaboration. See how

**Adobe® Premiere® Pro** software and other tools can be used in the same virtual environment.

- **Camera-to-Cloud** live contribution workflow including fast ingest via the use of Haivision Hub for edit-while-capture workflows to get editors working and turn content around fast
- **Production in the Cloud** for managing broader workflows involving many team members and roles
- Collect fun **swag!** Win **prizes** like a free Media Composer subscription!
- Enjoy delicious appetizers and refreshments on us!
